Please amend the drawings in Figure 5 by adding previously omitted reference signs "97" and "122" and removing reference sign "99." Applicant submits that these changes are fully supported by the specification as originally filed and therefore do not constitute new matter. A replacement drawing sheet in compliance with 37 CFR § 1.84 showing amended Figure 5 is attached hereto. This sheet replaces the original sheet that includes Figure 5. An annotated, marked-up sheet is also attached hereto to highlight the changes.
